

KEY APPOINTMENTS

With the final quarter of 2010 rapidly approaching, now is an excellent time to look for exciting leadership roles to challenge and develop you in the corporate world.

Our valued customer has been operating in Indonesia for many years, and has developed into one of the largest conglomerates in the country and continues to grow its reputation both domestically and internationally.

Emanating from high value, integrity and ethics the Group remains fully committed to continuous improvement in the delivery of products and services, protecting relationships with and solutions delivery to customers, challenging its employees to develop and grow their skills and competencies.

Due to the rapid growth, they are currently looking for exceptional creative, visionary personnel to fill vital leadership roles throughout the Group

Candidates may apply either to the Specialist Functional position and/or the Market Sector General Openings

Title	Specialist Positions	Market Sectors General Openings
